In the event of any conflict between these Standing Orders and either or both of the Act and the Instrument and Articles, the Act and the Instrument and Articles shall prevail.
- 1.2 The Governing Body will review these standing orders at least annually.
- 1.3 Every Member of the Governing Body and of its committees shall be bound by these Orders and shall be expected to adhere to the seven principles of public life as recommended by the Nolan Committee's report "Standards in Public Life". In summary, these are:
- selflessness
 - integrity
 - objectivity
 - accountability
 - openness
 - honesty
 - leadership.

2. MEMBERSHIP OF THE GOVERNING BODY

Further to the implementation of the 2007 modified Instruments and Articles, the Governing Body has resolved that the Board will comprise 17 members* as follows:

12 Governors, 2 elected Staff Governors, 2 elected Student Governors and the Principal.

- 2.1 The College, through its Governor Recruitment, Succession and Renewal Policy, has decided that, in most cases new Members will be elected as Associate Governors in the first instance. An extract of this policy is given at appendix 1 to the Standing Orders.
- 2.2 The main difference between a full Governor and an Associate Governor (AG) is that the former serves a four year term and the Associate Governor a one year term. An AG is entitled to attend and vote at all Committee meetings of which they are a member (co-optee), but not at the full Governing Body meeting until such time as they are made a full governor.

3. ELECTION OF CHAIR AND VICE CHAIR OF THE GOVERNING BODY

- 3.1 A new Chair/Vice-Chair shall be appointed at the first meeting following the Chair/Vice-Chair's resignation or removal from office.
- 3.2. Nominations, approved by the nominee(s) and proposed and seconded by two Members, for the position of Chair & Vice-Chair should be submitted to the Clerk, who will arrange a secret ballot in the event of there being more than one nomination to either position.

- 3.3 The Chair and Vice Chair of the Governing Body shall be appointed [and may also be removed] by the Governing Body and shall hold office for two years [or lesser period as the Governing Body may determine]. On the expiry of their term of office, such Chair or Vice-Chair shall be eligible for re-appointment.
- 3.4 The Principal, staff and student members shall be ineligible for appointment as Chair or Vice-Chair.
- 3.5 If both the Chair and Vice Chair of the Governing Body are absent from a meeting, the Members of the Governing Body who are present shall choose one of their number to act as Chair for that meeting.
- 3.6 The Chair and Vice Chair of the Governing Body may resign their respective position at any time by giving notice to the Clerk to the Governing Body.

4. APPOINTMENT OF CHAIR AND VICE CHAIR OF COMMITTEES

- 4.1 The Chair and Vice Chair (if any) of a committee shall be appointed [and may also be removed] by the committee concerned and shall hold office for up to two years or such lesser period as the committee may determine. On the expiry of their term of office, such Chair or Vice-Chair shall be eligible for re-appointment.

Any such invitations shall be issued through the Clerk who shall stipulate the portion of the meeting to which the person has been invited. Such persons may only speak if invited to do so by the Chair of the Governing Body or committee. The presence of such persons and the point in the meeting at which they left shall be recorded in the minutes.
- 6.2 Subject to the provisions of paragraph 8, Governing Body members may attend any committee meeting (other than a meeting of the Special Committee and in the case of the staff and student governors the Planning, Remuneration and Governance Committee), provided they make such a request at least 24 hours prior notification to the Clerk who will advise the Chairman. agenda for that meeting together with an indication that there is a proposal to vary or rescind a previous decision.

8. WITHDRAWAL FROM MEETINGS

- 8.1 Staff governors and where applicable, the Clerk and Principal must withdraw from any part of a meeting which is discussing their own personal remuneration, conditions of service, promotion, conduct, suspension, dismissal or retirement. The meeting is then conducted as a Part 2 meeting.

The Clerk, staff, or student members shall not be entitled to see the minute(s) or any papers relating to that part of the meeting from which they were required to withdraw.

9. TERMS OF REFERENCE

All committees and their Members shall comply in all respects with and observe their terms of reference. If a committee is doubtful over the precise scope of its authority or its remit the Chair of the committee should raise the issue with the Chair of the Governing Body and the Clerk to the Governing Body in the first instance.

10. PUBLICATION OF AGENDAS AND MINUTES

- 10.1 Subject to paragraph 10.2, the Clerk shall ensure that copies of the agenda, minutes and papers of each meeting of the Governing Body and its committees are available for inspection by the public during office hours in the Clerk's office.

Agendas shall be available as soon as Members have received them and before the meeting. Minutes shall be available in draft form after approval by the Chair. Non-confidential papers considered at a meeting shall be made available after the meeting. A copy of the minutes of every meeting of the Governing Body and its Committees' shall be placed on the College's website for a minimum period of 12 months once signed by the Chair of the Committee.

10.2 The only exceptions to this are in the case of minutes and papers deemed by the Governing Body to be confidential such as:

1. matters concerning individuals including staff, students and prospective governors;
2. sensitive commercial or business information which would be disadvantageous to the College to release;
3. negotiations with trades unions;
4. legal advice on sensitive or confidential matters.

The Planning, Remuneration and Governance Committee will, by virtue of its membership, have delegated authority to consider said items and determine on a case by case basis how each matter will be managed and how the flow of information will be controlled throughout the process. The Planning, Remuneration and Governance Committee will endeavour to maintain transparency at all times by directing Committees to move part two items to part one items and into the public domain at the earliest appropriate time.

10.3 Agenda items deemed confidential by the Principal, Chair of the Governing Body or its committees, shall form a Part Two agenda, the supporting papers for which shall be confidential unless when entering the resolution to go into Part Two agenda it is deemed that part or all of the Part Two discussion can move to the Part One agenda and become public knowledge.

10.4 Governing Body and Committee papers and minutes classed as confidential will remain confidential for a minimum of one year, subject to the Planning, Remuneration and Governance Committee, on behalf of the Governing Body, deciding that information on a particular issue can be released in less than the one year limit. Such determination will generally be in response to a specific request for access to the information.

10.5 At its first meeting of each academic year the Planning, Remuneration and Governance Committee will examine all Governors' papers which have been confidential for a minimum of a year and identify those items where consideration of openness and transparency and the need to maximise public availability means that they can be released for public access. The Chair of the PRG will consult with the Principal, Clerk and Chair of the relevant committee where necessary, and take legal advice if he/she determines the need to. This review of confidential items will be part of the annual schedule of business and not in response to a particular request for information.

10.6 There may remain a number of items which the Planning, Remuneration and Governance Committee judges still need to be classed as confidential. In making a decision for items to remain confidential the Chair will apply the criteria for confidentiality presented above. Anyone seeking information who disputes the decision of the Chair has a Right of Appeal to the full Governing Body.

11. ATTENDANCE

11.1 The Clerk shall keep a record of attendance which shall be reported annually to the Governing Body and kept under review by the Planning, Remuneration and Governance Committee. Extract from Governor Recruitment, Succession and Renewal Policy: Section 8

As part of the recruitment process, most new governors are initially elected as Associate Governors (AGs); there may be occasions where a particular skill set is needed and full governorship is offered immediately.

The term of office for an AG is for up to one year, at the end of which the appointment is automatically terminated unless the Planning, Remuneration and Governance Committee recommends to the Full Governing Body that the AG be invited to renew their appointment as an AG for another term of up to one year or they are appointed as a full governor. Being an AG does not confer the automatic right to become a full governor should a vacancy arise.

There is no maximum number of terms that an AG may serve (because as an example, the AG may be needed and willing to provide on-going specialist expertise but have no wish to become a full Governor). Time spent being an AG will not be counted towards any subsequent term of office as a full governor.

The purpose of appointing new governors as AGs is:

- (i) Allows potential full governors to become familiar with the college and allows both parties to assess their suitability for this role;
- (ii) Provides a resource of potential full governors. (Full governors will be appointed according to the needs of the board rather than as 'next in the queue')
- (iii) to add expertise to a particular committee, which in this instance could mean the AG would remain an AG until such time as it was mutually agreed they would step down.

AGs are not required to undertake comprehensive governor training or assessment though may do so if they wish. AGs wishing to become full governors will be expected to communicate this wish to the Clerk, from which time they will be expected to make themselves available for an assessment interview and attend training sessions.

All Governors whether full or Associate are expected to join at least one Committee.
