

Good morning,

Thank you for choosing to study Travel & Tourism at Brooklands College. We are really looking forward to meeting you during enrollment but thought the following information would be useful to help you to prepare for the year ahead.

Travel & Tourism Course Dates

Teaching will start on Monday 4th September. You will be given a timetable at enrollment and told where to meet the team on the first day. During your first day you will be shown around the college, meet other students and set up your IT access. Please bring:

- Notebook and pencil case (pens, pencils, highlighters)
- Phone and charger (so you are able to download Google Apps)
- Laptop (if you have one)

Uniform

First impressions count in the Travel & Tourism industry and you are required to wear your uniform for all assessments and College events. We have clear expectations as to how your uniform should be worn and personal grooming. This will be covered during induction. Please pay £20.00 via the QR code below for your uniform (shirt, scarf & badge) before Monday 4th September.

Educational day trips

We will be running five educational day trips this year to support your learning. **These day trips are not optional and attendance is required by all students.** Please pay £125 via the QR code before Monday 4th September. This will allow us to book trips ahead of time ensuring availability and great value for money. Please note that attractions/venues below may change as they are subject to availability when booking.

1. September - Tower of London & Tower Bridge Experience (Customer Service / UK T&T)
2. November - World Travel Market (Linked to Marketing, Promotions & Conference & Events)
3. December - Winter Wonderland (Christmas Trip)
4. April - Longleat (Linked to The Impacts of Tourism / Guided Tours)
5. June - Liquid Leisure (End of year trip)
