International Day of Women and Girls in Science: 11th February

A young woman with dark hair, wearing a yellow long-sleeved shirt, is focused on assembling a computer. She is holding a small green circuit board (likely a RAM module) and is about to insert it into a larger blue motherboard that is lying flat on a white desk. The motherboard has various components like a CPU cooler, capacitors, and expansion slots. In the background, another person is seated at a desk, working on a computer, and there are shelves with various items. The scene is brightly lit, suggesting a modern office or lab environment.

29 World Deaf Day	30					

A group of five Black people, three women and two men, are huddled together in a circle, looking down at the camera with joyful expressions. They are wearing traditional African clothing, including patterned headwraps and beaded necklaces. Several of them are pointing their index fingers upwards towards the center of the group. The background is a bright, overexposed sky, creating a high-contrast, warm atmosphere. The word "October" is written in a large, white, sans-serif font in the bottom right corner.

October

October

27 National Mentoring Day	28	29	30	31		

Remembrance Day: 11th November

A close-up, low-angle shot of a field of red poppies. The flowers are in various stages of bloom, with some fully open and others as buds. The green stems and leaves are visible, and the background is a soft, out-of-focus sky. The overall tone is somber yet hopeful, fitting for a Remembrance Day theme.
