

## Latest news on the redevelopment of Brooklands College

The new Brooklands College and Brooklands Grove come to life in new animation.

Brooklands College and Cala Homes have released a flythrough video showing what the Brooklands Grove project including the new Brooklands College campus will look like following completion.

## MP for Runnymede and Weybridge Dr Ben Spencer visits College.

As part of his commitment to education, Ben Spencer supports Further Education and the importance of vocational qualifications and apprenticeships. He visited the college to get a real insight into the courses and even took part in some lessons, spending time in the Engineering and Catering and was also interviewed by the Media students. He commented on his visit:

**"I was incredibly impressed by the skill and enthusiasm of all involved. Brooklands offers a great range of training opportunities, at a range of levels to suit everyone."**

Brooklands College and Cala Homes jointly submitted a planning application in May 2023. Their vision was to invest in college facilities, create community spaces, open woodland for public use, as well as create new affordable homes in the area. Some small amendments have been made to the initial plans, which do not affect the overall structure of the project. [Find out more.](#)
