

Spring Update

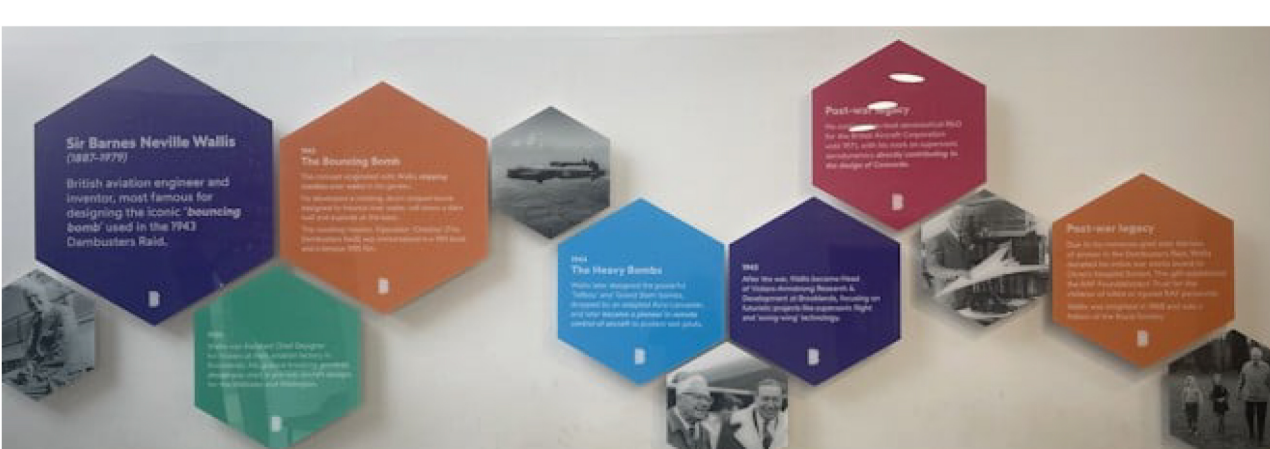

The redevelopment of Brooklands Technical College is taking shape and if you still haven't visited us, we would love to welcome you to an Open Event, so that you can see the progress to date. Alternatively, why not consider supporting our students - and treating yourself too - at Brooks Restaurant and Brooks Hair & Beauty Salon?

The information below will hopefully inspire you to visit us soon!

Barnes Wallis Building

In honour of Sir Barnes Neville Wallis (1887-1979), a British aviation engineer and inventor, most famous for designing the iconic 'bouncing bomb' used in the 1943 Dambusters Raid, our latest redevelopment building has been named.

The Barnes Wallis is the main area for Brooks Kitchen/Cafe, the student dining area, catering, hair and beauty and the new Brooks Restaurant and Brooks Hair & Beauty Salon. Students are enjoying these welcoming and contemporary new facilities, as they develop their skills and prepare themselves for the workplace.

Brooks Restaurant gets the finishing touches

Enjoy a 7-course taster menu at Brooks Restaurant for just £34 per person. You will experience fine dining at a restaurant described by Surrey Live as the 'new and surprising Surrey restaurant offering one of the county's best value tasting menus.'

Open on a Wednesday evening (term time only) and booking fast!
Email: restaurant@brooklands.ac.uk for cancellations

Call 01932 797740 and quote 'RNAPR'

Mary Hammond from Community Life Magazine, Weybridge, enjoyed a facial and haircut at Brooks Hair & Beauty salon and sent us this lovely review:

"I was delighted to discover these wonderful new facilities. I experienced a relaxing facial therapy, and my skin looked and felt rehydrated and glowing. I also had my hair cut, styled and a deep hydrating treatment-receiving several compliments!"

OPEN EVENT
Wednesday 29th April 4.30pm - 7pm
Weybridge Campus

An opportunity to see all the new facilities, tour the campus, speak to our careers team and meet our friendly tutors. School leavers and adults all welcome.

Discover endless possibilities with our technical courses.
Please register to attend.

Under Construction

The steel structure for the sports hall, gym, community hub and main entrance has started and is currently awaiting the roof to be fitted. We are expecting this part of the development to be completed in Spring 2027.

The First Dig

The 'first dig' of the of the new SEND building will start after Easter. This will be a complete new build and with additional funding from Surrey County Council, we will be able to support up to 260 students in the local area with Special Educational Needs and Disabilities.

We will be documenting developments and will feature progress in upcoming issues.

Thank you for your continued interest as we transform Brooklands Technical College, we hope that you are finding these email updates informative, you can also stay updated by visiting the timeline

on the [college website](#). If you have any questions or comments, we would love to hear your feedback, please contact us on estatesproject@brooklands.ac.uk
