

Going From Strength to Strength

As we start 2026, Brooklands Technical College remains dedicated to being an inclusive hub for lifelong learning, helping our learners to develop the professional skills, behaviours, and values they'll need to thrive in their careers.

Exciting progress is being made with the redevelopment of our Weybridge campus, and we're thrilled that the new facilities are on track to be ready by the end of the year. This phase will bring a brand-new main reception, a community space, a public café, a sports hall, and a gym. We can't wait to see it all come together!

Be Collaborative

Students from Futureframe Productions, the College's media department, had the exciting opportunity to gain hands-on experience with a filming project. Cala Homes approached the college to create a promotional video for the houses they are building at Brooklands Grove, Weybridge.

"Be Collaborative" is one of the College's core values, focusing on building strong, positive relationships to provide top-quality education and skills. Level 3 Media students, Sophie, Krystal and Marcus showcased their talents by using a range of filming techniques to produce the video below.

THIS MONTH'S OFFER

Aromatherapy Massage only £24!

Treat yourself and relax with a full body massage. It's a fantastic way to de-stress, and with regular appointments, you will notice a real difference in how your body and mind feel. Our Level 3 student therapists use quality oils to provide you with the best experience possible.

Appointments on a Wednesday evening (term time only) at 4.30pm.

Call 01932 797740 to book your massage and quote "RNFeb"
