Starting September 2027, there'll be some new routes for students after GCSEs

So... what does this mean for you?

BROOKLANDS
TECHNICAL
COLLEGE

T-LEVELS

Level 3 technical qualification combining classroom learning and industry experience

We currently offer T Levels in Digital, Early Years, Electrical, Engineering, Health & Science

Think: hands-on learning + real workplace experience

V LEVELS

Brand-new level 3 vocational qualification for students who want to study a subject while keeping their options

***V Levels will be introduced in phases. BTEC diplomas will still be available!**

Think: vocational + academic progression

What if I'm not quite ready for Level 3?

You'll still have options!

New Level 2 options will help you either:

- Progress to level 3
- Prepare for skilled employment

Which one is right for me?

V Level: I want to keep my options open

T Level/Diplomas: I know my career area

Level 2: I need to build my skills first

We offer a wide range of post-16 pathways in the following subjects:

- Art, Design & Media
- Brickwork
- Business
- Carpentry
- Catering & Hospitality
- Digital
- Education & Early Years
- Electrical
- Engineering
- ESOL
- Hair & Beauty
- Health & Social Care
- Motor Vehicle
- Public Services
- SEND & Transition
- Science
- Sport
- Travel & Tourism
